

North Beach 'Quarantine' to Continue

Quarantine on approximately 10 miles of beach from 14th street north of Hermosa Beach pier to Seaside Terrace, Santa Monica, will continue in effect. The State Board of Health adopted a recommendation of the Bureau of Sanitary Engineering that the results of one month of surf water sampling warranted continuing the bathing ban in this area.

Rosecrans Park Tract Accepted by Los Angeles

An 11-acre playground site in South Los Angeles, offered to the Recreation and Parks Department by W. S. Rosecrans and his sister, Carmelita Rosecrans Ewing, has been formally accepted by the city.

The playground area is part of the historic Rosecrans rancho at South Vermont and Rosecrans avenue and is situated in the southwestern portion of the old rancho at Vermont and 150th place. General Rosecrans gave the rancho to his son and daughter-in-law, Carl Rosecrans and his wife, as a wedding present and the couple lived there from 1888 until their death. Carl died in 1926, Lillian in 1941. Since the Civil War days the Rosecrans family has played a leading part in the civic growth and development of Los Angeles and Southern California, aiding in bringing in railroads and highways, and in the development of the oil industry.

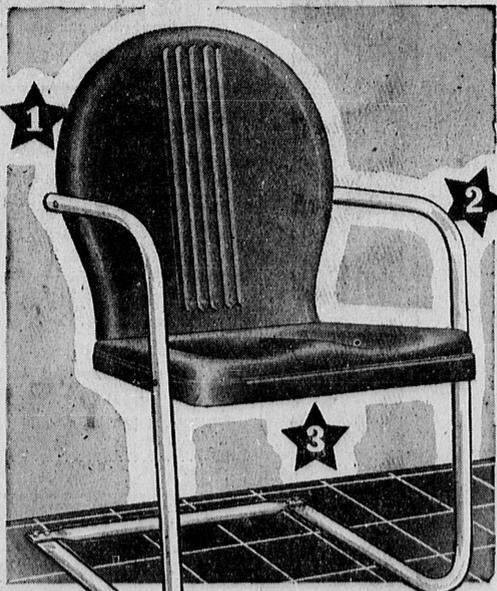

"I am convinced that public recreation is an important and wholesome thing," Rosecrans said in presenting his gift. "I would not want to see this area built up without adequate recreation facilities for the children, as has happened in so many other parts of Los Angeles."
